

FAQ

Which matrimony site is best?

VIP Marriage Media is one of the best matrimonial sites in Bangladesh. Being the leading matrimonial service provider in Bangladesh VIP Marriage Media provides services to the Elite Bangladeshi communities worldwide. We host a range of verified **High-grade VIP** profiles of the most eligible, successful, and exclusive Bangladeshi brides and grooms.

How to create my matrimony profile?

Log in or register to VMM website/mobile application. Then follow the instructions to fill in your details to the profile creation form and add photos to your profile.

How can I register?

Go to <https://www.vipmarriagemedia.com/> > Click register > Fill up the form > Submit.

Can I register on behalf of my family member or friend?

Yes, with the person's consent, you can register on behalf of your family member or friend, with their accurate information and details. Please make sure to input your relationship with the bride/groom in the form that appears in profile creation.

How can I keep my profile private?

You can create a private profile with VIP Service Private package that allows to keep your phone number, email, and message option hidden from others until you accept their proposal. Once the proposal is accepted by you, they can see your profile details.

Do's and Don't of creating a profile?

Do's

- Try to add accurate and up-to-date information about yourself in the profile.
- Add clear and up-to-date photographs for effective matchmaking.
- Add your interests and brief about what you are looking for, and stick to the point.
- Use an active email address and phone number.
- Verify your profile.

Don'ts

Please refrain from:

- Posting false or misleading information.
- Using this platform as a casual dating site.
- Engaging in harassment, bullying, or discrimination.
- Financial scams or requesting money from other members.
- Soliciting or attempting to solicit private content from members.
- Impersonating someone else.

These are against the terms and conditions of using VMM services and a proven violation of the terms may have you banned from using the platform.

How to ensure the safety of my personal information?

We at VMM value the privacy of the members' personal information. To know more about how we collect, use, and protect your personal information please refer to our [Privacy Policy](#) page.
